About Me

I am a passionate Bachelor of Computer Applications (BCA) student with a keen ambition to excel as a Full Stack Developer. I thrive on crafting intuitive, user-centric web applications and am dedicated to continuous learning and innovation. My goal is to refine my technical expertise, explore cutting-edge technologies, and apply my skills to real-world projects that make a meaningful impact.

Education

Nagarjuna College of Information Technology

Bachelor of Computer Applications | Ongoing - 2023

St.Xaviers College

Faculty of Science(+2)

PEMSS

SEE(10)

Career Goals

As a passionate and highly motivated BCA student, my aspirations are to:

- Master full-stack web development, focusing on both front-end (HTML, CSS) and back-end technologies (Node.js, Express.js)
- Build a strong foundation in HTML, CSS, Java, JS and C++ to develop versatile coding skills
- Gain hands-on experience by working on real-world projects to apply theoretical knowledge in practical scenarios
- Develop the ability to create dynamic, scalable, and innovative web applications that deliver exceptional user experiences and robust functionality
